WORK EXPERIENCE

USER EXPERIENCE DESIGNER II

USER EXPERIENCE INTERN

Honeywell Aerospace| Tempe, AZ| 2022-Current

Actively engage with the team, senior designers, and product leaders to research, identify, and address key business/customer goals. Train in design sketching and prototyping tools (e.g., Rhino, Adobe Illustrator, KeyShot, CAD modeling). Partner with cross-functional teams. Train to Design user experiences exploring different approaches to solving specific user problems. Proactive in the iterative design process from discovery to launch.

FACULTY ASSOCIATE

Arizona State University| Tempe, AZ| 2022

Instruct third year industrial design studio. Teach design skills, provide lectures, grade assignments, respond to emails, and give feedback to students.

TEACHING ASSISTANT

Arizona State University| Tempe, AZ| 2021

Assist instructor with teaching design skills to first and second-year design students. Grade assignments, respond to emails and attend a weekly meeting to communicate student needs.

BARISTA

Starbucks| Denver, CO | 2019 – 2020

Recommended and educated visitors on coffee favor profiles. Arranged sales displays and windows. Took orders and prepared coffee, tea, and other beverages to visitor's specifications.

SALES ASSOCIATE

Madewell| Denver, CO | 2019 – 2020

Educated customers on jeans by material, wash, and fit. Measured customer's waist and inseam to find the correct size of jeans. Arranged displays to increase foot traffic into the store and allow for a better shopping experience.

COMMUNITY ASSISTANT

Arizona State University Housing| Tempe, AZ | 2018 – 2019

Lived in the residence hall and ensured the safety and wellbeing of freshman students. Organized surveys and conducted interviews of students to gauge their mental wellbeing in the first year of college. Organized events for students to encourage physical and mental wellbeing while at Arizona State.

SKILLS

Adobe Suite, Procreate, Solidworks, Rhino, Blender, and Keyshot
